

**Group:** Octavio Tobalo, Joaquín Gorchs, Agostina Paván, Renata Carretero, Luciana Fernández y Galo Soulard.

## TITLE: A Day being a cell phone

After waking up, he turns me on

Logs into all my apps for a while

Turns me off and goes to school

Uses me at school again, to do homework

After putting me in his backpack, we get home

Finally, he turns me on at night to watch videos
