The day of my human Matias

Hi i am a Rabbit, my name is Stain, im Matías pet, in he's day he does a lot of things.

In the morning he gets up. And have breakfast. Then he watches light box and talk to the box.

When he finishes, Matías have lunch. After that he plays with me. For me this is the best part of the day, he caresses me, and i love it.

Then Matías write in a paper and he uses strange objects to do forms, some carrot sizes. I love carrots.

In the afternoon he watches a screen with another people inside.

On the night he takes a shower. I hate showers.

After that he has dinner and then read book about football. And finally, he goes to sleep.
